**COMMENTS:**

Sir:

The above International Application is one of two (the other one being PCT/DE98/01180 - Attorney Docket 990351) for which requests to commence the U.S. National Phase were despatched by Express Mail to the USPTO.- Box PCT yesterday.

It is possible that the enclosed English translation of a specification and claims (14 pages) amended under Rule 66 PCT on 14 July 1999 inadvertently and without deceptive intent was not enclosed in the package. It is tendered herewith.

Respectfully submitted,
